

2011 Albuquerque Conference
Saturday, January 29, 2011
8 am – 1 pm
Central New Mexico Community College

Enjoy hands-on workshops

ADMIT IT – Science is Fun!

*We'll show you how a career in **science, technology, engineering or math** is a lot of fun.*

Girls grades 5-9 are invited to attend hands-on workshops and learn about different careers from women professionals.
