

2012 Albuquerque Conference
Saturday, January 28, 2012
8:30 am – 12 pm
University of New Mexico
Centennial Engineering Center

Enjoy hands-on workshops

ADMIT IT – Science is Fun!

*We'll show you how a career in **science, technology, engineering or math** is a lot of fun.*

*Girls grades **5-9** are invited to attend hands-on workshops and learn about different careers from professionals.*
