

NEW MEXICO NETWORK FOR WOMEN IN SCIENCE & ENGINEERING

Celebrating Over 30 Years of Networking

NMNWSE encourages women to enter into and develop their careers in science, engineering, and allied professions through annual technical symposia, outreach, and local chapter activities.

EXPANDING YOUR HORIZONS™
annual technical career workshops for young women

EYH is a conference for young women to increase their interest in math, science, & engineering. Students attend workshops where they meet and form personal contacts with professional women from these technical fields.
